Dear {Mr./Ms. Last Name},

Thank you for the opportunity to be considered for support by {Organization/Business Name}.

Many Americans are unaware of the safety risks associated with day-to-day workplace tasks. The reality is America's youth, ages 16-24, are twice as likely to experience a workplace injury than those 25 years and older, according to the National Institute for Occupational Safety and Health (NIOSH). That is why it is so important that our students at {School Name} are afforded the opportunity to receive OSHA training through our Career and Technical Education Programs.

For only \$25 per student, CareerSafe® Online allows teachers and administrators to provide a cost effective, fully integrated and self-administered OSHA 10-Hour training course to students ages 16-24. CareerSafe® is targeted at making a significant impact on decreasing the number of young worker injuries and fatalities in the United States.

{School Name} is hoping to gain your support with a sponsorship of our students taking the CareerSafe® safety training program. To support this program would make a meaningful difference in the lives of our youth. A contribution from {Company Name} will give these students the jumpstart they need in their career endeavors.

We believe that the CareerSafe® program is consistent with the mission and interest of your company, and will complement your goodwill efforts within our community. If I can provide additional information to support your consideration of our request, please feel free to contact me at {Email or Phone}.

Sincerely,
